Dear Sirs,

Reply to Notice of Non-Compliance

Attached please find:

- A fresh Change of Address Form SB/122
- Complying amendments
- Fees for 1 month Extension of Time

It is requested that the extension fees be waived as the USPTO was provided with forms for the change of address pertaining to my customer number many months ago and we received the Notice of Non-Compliance only a week ago, it having been delayed by being sent to the old address. A confirmation copy of this fax is being sent by mail.

Regards,

Michael Molins
